

What we do...

About us...

The SVU is made up of citizens from all walks of life who are interested in partnering with the Westmoreland County Sheriff's Office by volunteering their time within the law enforcement community.

Volunteers must be 21 years of age, pass a PASP background check, and have the desire and time to serve the public.

If you are interested in the opportunity for service in your community, please complete the application on the last page of this brochure and return it to the address indicated.

Education & Training...

The SVU sponsors the Personal Protection and Emergency Preparedness Institute. Through the PPEPI we provide education and training for the general public in some of the following areas.

Firearm Safety Basic Pistol Course, USCCA Concealed Carry Course, NRA "Refuse to be a Victim" Seminar, Personal Protection in the Home, Fraud and Identity Theft, and Establishing a Neighborhood Crime Watch, to name a few.

Emergency Assistance...

The SVU is available to provide additional manpower to assist the local law enforcement agencies in the event of natural or man-made disasters, or other security response situations.

When a request is made, we are available to assist law enforcement agencies with traffic control, evacuation assistance, food and water distribution, crowd control, emergency first aid, and search and rescue operations.
